Dear Parents and Families,

Welcome to the University of Miami and thank you for choosing the College of Arts & Sciences.

We are honored that you have entrusted your child's academic success to us, and we do not take this responsibility lightly.

Our goal at the University of Miami is to transform lives through teaching, research, and service. As a nationally recognized research institution, UM continues to house and produce leaders in a wide variety of rapidly evolving and important fields. The academic programs offered here at the College are highly respected, rigorous, stimulating, and thought-provoking, and will provide your child with an in-depth educational experience. Our dynamic programs foster critical and creative thinking and effective communication—skills that will enable our graduates to be bold and ready to embark on successful careers and future endeavors, and to achieve their dreams.

I encourage you to explore the diversity of the College's cultural and academic offerings by attending a lecture, visiting the Lowe Art Museum, or catching a play at the Jerry Herman Ring Theatre.

I look forward to our journey together.

Go 'Canes!

HOW CAN U GET INVOLVED?

AS A PARENT OR FAMILY

MEMBER, YOU PLAY A

CRUCIAL ROLE IN

ENSURING OUR SUCCESS.

Whether volunteering time, facilitating student internships through ASPIRE, or financially supporting the College's programming, you can contribute to your student's intellectual development and academic achievements. Depending on your areas of expertise, you may be invited to join a committee, host regional events, provide career counseling, or suggest campus speakers.

Your gift to the College of Arts & Sciences helps us support student scholarships and retain leading faculty.
