

***The 2011-2012 Faculty Lecture Series Presents:***

***“Integrated Valuation of Mangrove Ecosystem Services”***

***Led by Dr. Pallab Mozumder, Florida International University, in collaboration with the Rosenstiel School of Marine and Atmospheric Science (RSMAS)***

***Dr. Pallab Mozumder*** is an Assistant Professor with a joint appointment at the Department of Earth & Environment and the Department of Economics at Florida International University. He received his Ph.D. in Environmental and Natural Resource Economics from the University of New Mexico.

He is interested in environmental and natural resource management issues (e.g. valuation of environmental goods and services, sustainable development, managing ecological vulnerability, water and coastal resources management). His current research focuses on understanding human dimensions of environmental changes and mitigation of natural hazards.

***Tuesday, February 28th, 2012  
12:00-1:15 pm  
University of Miami  
RSMAS Campus, Room S/A 114***
