

The College of Arts and Sciences, the English Department and the
Creative Writing Program
PRESENT

Jason Nelson

Poet and Digital Artist

**Monday, November 28, 2005
6-7pm, LC170 (Whitten Learning Center)**

OPEN TO EVERYONE ~ REFRESHMENTS SERVED

Jason Nelson, an Oklahoma native, combines poetry and digital art in his work. He received an MFA in Poetry from Bowling Green State University. He recently joined the new media faculty at Griffith University in Queensland, Australia.

His projects include Hyperrhiz, a hypermedia literary journal, and Secret Technology. Nelson's work has appeared in both American and international print and online journals, including Beehive, Boomerang, Epitome, 3rdbed, Nowculture, and Blue Moon Review.
