Subject: Minutes of the Department Chairs' Meeting
         Wednesday, February 18, 2015, at 1:30 p.m.
         Physics Conference Room

Date: March 7, 2015

1. Approval of the Minutes of the January 21, 2015 Meeting
   A motion to approve the minutes of the Department Chairs' meeting of January 21, 2015
   was offered, seconded, and unanimously approved.

2. Dean's Remarks
   Dean Bachas talked about faculty evaluations and review of salaries. He noted that, as
   soon as he receives the parameters from the Provost's Office, he will share the
   information with the Chairs. He also reminded them that documents on faculty
   evaluations should be forwarded to his office by the deadline.

3. Salary and Merit Increases
   Dean Bachas mentioned a form that Hector has designed to send to the Chairs to
   facilitate their work on faculty evaluation and salary increase. Hector indicated that the
   Excel sheet will allow Chairs to analyze the way merit can be distributed amongst
   faculty. If Chairs would like to use this excel sheet, please let him know so that he may
   customize it for the appropriate department. The Dean will begin scheduling meeting with
   Chairs to discuss salaries for their respective departments.

4. CaneLink
   Senior Associate Dean Maria Galli Stampino informed Chairs that CaneLink has the
   ability to include prerequisites for courses. This can be seen as a great benefit when
   advising students or when looking for course equivalencies. She encourages
   departments to input prerequisites into CaneLink, which will need to be done by the
   course scheduler for each department. Senior Associate Dean Stampino also informed
   the Chairs that the Foote Fellow Program is replacing the Honors program, and will be
   more competitive in its selection with fewer students accepted. She also talked about
   the "W" courses, and that a Committee is working on a proposal to submit to the
   University Curriculum Committee (UCC). This proposal will be presented to the College
   faculty for their approval prior to submission to the UCC. Departments will need to
   create learning outcomes on writing.
5. Other Business
