If you are the person who submitted this cognate, this email is only for your information - there is nothing more for you to do. If you represent the coordinating college/school for this cognate, you can approve this cognate by forwarding this email to approved.cognates@miami.edu. If you represent another college/school that has courses in this cognate, you can approve (or not) this cognate by replying to this email. In either case, your email should contain (only) one of the following two lines, and the entire cognate proposal:

- I APPROVE this cognate on behalf of my college/school.
- I DO NOT APPROVE this cognate on behalf of my college/school.

Cognate proposal submitted for Approval on Monday, January 27, 2014 at 5:39:22 PM.

Cognate Proposal Form

Type of Proposal: Modification of an approved cognate that is in the search engine

Cognate Area:
Arts and Humanities

Cognate Long Title:
Western Civilization: Historical Approaches

Cognate Short Title:
Western Civilization

Cognate Description:
Western cultures have long made important contributions to world civilization. This cognate allows students to pick among a number of broad historical surveys of different aspects of Western Civilization in a variety of disciplines. Though some of these surveys cover the world, all have a sufficiently full discussion of western cultures to give students the chance to see the development of Western Civilization from a number of different angles.

Course Options:
Complete at least 3 of the following option groups:

Option Group:
Complete exactly 1 courses from the following:
ARC267 History of Architecture I: Ancient, Medieval and Renaissance
ARC268 History of Architecture II: Baroque through Contemporary
DAN250 World History of the Dance
MCY131 Understanding Music
ARH131 Survey of Western Art I
ARH132 Survey of Western Art II
ENG201 World Literary Masterpieces I
ENG202 World Literary Masterpieces II
HIS131 Development of Western Civilization, I
HIS132 Development of Western Civilization, II
PHI271 Ancient Philosophy
PHI272 Modern Philosophy
REL103 One God: Judaism, Christianity, and Islam
REL232 History of Christianity
THA385 History of Décor
THA386 History of Fashion
THA481 History of Theatre I
THA482 History of Theatre II
THA 281 History of Theatre Architecture.

Coherence and Rationale:
I'm afraid I didn't save what I originally wrote

Resources:
Ditto

Prerequisite Courses:
Ditto

Recommended students:
All undergraduates

Responsible Academic Unit:
History

Associated Academic Units:
ARC, DAN, MCY, ARH, ENG, PHI, REL, THA

Approvals Required - Coordinating School/College:
College of Arts and Sciences

Approvals Required - Associated Schools/Colleges:
School of Architecture
Frost School of Music
University Curriculum Committee

Proposal Notes:
I was approached by Professor Stang about adding two history of Philosophy courses, on ancient and modern philosophy, and quickly realized that they should have been in
on ancient and modern philosophy, and quickly realized that they should have been in
the cognate in the first place, since the cover an important aspect of western culture in
historical terms.

Cognate Proposal Form

Type of Proposal: Termination of cognate

Cognate Area:
People and Society

Cognate Long Title:
Health and Society

Cognate Short Title:
Health and Society

Cognate Description:
The cultural and social dimensions of health and disease. The interactions of health-related practices with different belief systems and cultural institutions. The influence of social factors on the many varied philosophies of disease treatment and prevention across populations and cultures.

Course Options:
Complete exactly 1 of the following option groups:

Option Group: Health and Society
Complete exactly 3 courses from the following:
APY 315 (Folk and Alternative Medicine)
APY 413 (Medical Anthropology)
BIL 104 (Genetics and Society)
CLA 233 (Ancient Medicine)
HCS 305 (Issues in Health Disparities)
HCS 310 (Global Health)
HCS 321 (Health Promotion and Disease Prevention)

Coherence and Rationale:
All the courses are related in content. All deal with the description, analysis, and comparison of cross-cultural variations in the multiple behavioral and social facets of human health promotion and disease prevention in different societies. All the courses deal with the evolution and adaptive characteristics of different healing systems.

Resources:
No additional resources would be required since the listed courses are already available.

Prerequisite Courses:
APY 315--any 200 level APY course OR any 300-level NUR/HCS course OR permission of the instructor
APY 413--3 credits in APY and 3 credits in BIL or NUR/HCS
BIL 104--none
CLA 233--none
HCS 305--HCS 206 or junior standing
HCS 310--HCS 206
HCS 321--HCS 206

Recommended students:
upper level students with an interest in the many cultural and social factors related to variations in human health, disease, injury, and medical treatments

Responsible Academic Unit:
APY

Associated Academic Units:
BIL, CLA, HCS, NUR

Approvals Required - Coordinating School/College:
College of Arts and Sciences

Approvals Required - Associated Schools/Colleges:
College of Arts and Sciences
School of Nursing and Health Studies
University Curriculum Committee

Proposal Notes:
The Biology, Classics, and Nursing and Health Studies (including HCS) courses have been approved for inclusion by respective instructors and the Dean of the School of Nursing and Health Studies. The Anthropology courses have been approved by the Chairman of the Department of Anthropology.
Chairman of the Department of Anthropology.

Dean Mallery,

Here is the information that you requested.

SOC 210 Introduction to Social Research is taught every semester.
SOC 284 Medical Sociology has been taught every three semesters, it was last taught in Spring 2013 and it is scheduled to be taught in Fall 2014. If student demand warrants it, we can teach it every other semester.
SOC 480 Health Disparities in the US is a new course, we plan on offering it every Fall semester. If student demand warrants it, we can teach it every semester.

SOC 302 Social Psychology is offered at least every other semester and sometimes more often.
SOC 303 Social Inequalities is offered every semester.

Thanks,

George Primov

Professor Primov,

The Curriculum Committee asked a question of the resubmission of your cognate - Sociology for Pre-Health Students, before it can vote approval.

The Committee would like to know the frequency of offerings of the courses listed in both groups.

Thanks,

charles mallery, associate dean college of arts & sciences
