- Great professor! Really stimulates class interest. Sometimes he had quirky jokes, but he seemed to care greatly about what he taught and even students. Would definitely recommend the class and take more classes with this professor.
- Great professor and very willing to meet with students which was very helpful.
- One thing Professor Klofstad did that I really appreciated was give his students off the lecture before an exam to allow more time to study. He is the only professor that has done that and it has been very beneficial. I wish all professors did that!
- I think professor Klofstad is very knowledgeable about the subjects that he teaches and that comes across in his lectures. It was very interesting to listen to him talk about politics and made classes enjoyable.
- He's funny, very fair and really knows what he's teaching.
- Great professor! Great lecturer, organized, and overall very positive experience with him.
- Very understanding and accommodating, and seems to care a lot about his students. Smiling once in a while wouldn't hurt!
