College of Arts and Sciences
2021-22 College Curriculum Committee Membership

Charge: To review proposals regarding course additions and revisions for adherence to college and university guidelines and to coordinate on matters that involve multiple departments. For minor matters, the committee can act on behalf of the council and COLLEGE, whereas for more major matters, the committee will make recommendations to the faculty via the College Council. In matters of substance, the committee is to defer, as a rule, to the disciplinary expertise of departments.
