Please address the following questions. If the space provided is not sufficient, please attach a memo.

1. Does this position represent a growth or replacement within the department? Please explain.

2. Rationale for this search

How does this position address the need of the undergraduate, graduate, and research missions of the department and college?

Outline how this position:
- increases the College's overall level of extramural funded activities
- builds key thematic interdisciplinary research areas consistent with our strategic priorities, including joint appointments across departments and schools
- achieves greater diversity in the faculty
3. Provide the following information:
   - what is new and exciting in the discipline you are proposing to search in
   - the needs of the teaching, research, and service missions that will be met by this search

4. Please provide likely sources of extramural research and scholarship funding that may be available to scholars in this field/sub-field of the discipline. Indicate likely student demand for courses in the proposed field/sub-field. Would this appointment contribute to cross-unit activities and interdisciplinary programs?
