(Research Faculty)

TO: Leonidas G. Bachas
    Dean

FROM: (Name and Title)
Department of:

SUBJECT: 2018 Calendar Year Evaluation for:

Evaluation of Research/Scholarly Activities: If appropriate, please indicate the tenured or tenure-track faculty member who is this individual's primary supervisor. Evaluate the individual's primary achievements and contributions both to his/her specific research projects and to the department's research program overall. Include special activities or circumstances that may impact on growth, performance, etc.

Evaluation of Teaching (if applicable): Indicate whether current evaluation period teaching activity is a regular part of this position or based on teaching replacement need and/or temporary drop in funding. In addition, indicate whether the faculty member was formally evaluated by his/her students during this period and summarize the results. If evaluation is based on informal feedback, please describe (from advisors, student conversations, etc.). Furthermore, include summary of results of peer teaching evaluations, if occurring during this period, and indicate date and courses(s) evaluated.

Evaluation of Service Activities:
